## SHOW RULES, PROCEDURES AND REGULATIONS

The show is held under the Rules of The Governing Council of the Cat Fancy and is open to all. A copy of these Rules is obtainable from the GCCF Office at 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG, Price £3.00 These Rules must be read by all, for they are not repeated herein, but will be strictly applied. Ignorance of any Rule will not be accepted as excuse of their breach.

The Committee reserve, to themselves, the right to:

- a) Appoint other judges should those advertised be unable to fulfil their engagement, and to appoint further judges should they be required.
- b) Fix and limit the number of exhibits at the show.
- c) To accept or refuse exhibit entry without giving reason.
- d) Cancel, amalgamate or divide classes.
- e) Publish a catalogue of the show containing information as to the exhibits and names and addresses of exhibitors.
- f) Disqualify cats entered into the wrong classes by exhibitors.
- g) Retain a percentage of the entry fees to cover essential expenses, in the event of the show being cancelled for any reason.
- h) No other animals or pets will be allowed into the Show hall other than exhibiting Cats, Kittens and Neuters.

### ELIGIBILITY OF EXHIBITS TO ENTER SHOW

**PEDIGREE SECTION:** All Cat, Kittens and Neuters of breeds recognised by, and registered with the GCCF, (except those registered on the Reference Register) are eligible for entry in the competition. To be effective for entry all registration and/or transfers must have reached the GCCF Office at least 21 days prior to the show. No Cat or Kittens, entire or neutered, born after 19.10.71, with one or both parents, grandparents or great-grandparents unregistered shall be eligible for entry into Open Classes.

Cats which are not normally resident with their registered owner should be transferred into the ownership of their keeper if they are to be shown. Exhibitors are reminded that in the event of rejection, all exhibits in the same registered ownership may also be rejected and clearance may be required for both households.

**HOUSEHOLD PET SECTION:** All unregistered Cats, Kittens and Neuters of unknown or unregistered Non-Pedigree parentage are eligible for entry in the Non-Pedigree Section. Pedigree Cats, Kittens and Neuters (Registered or otherwise) or Cats previously listed as "Pedigree Lookalikes" are eligible for the Pedigree Pet Section. All exhibits over the age of six months must be neutered.

### GENERAL GUIDELINES ON ENTERING SHOWS

Obtainable from the GCCF upon receipt of a SAE or from their website [www.gccfcats.org](http://www.gccfcats.org)

#### STATUS OF ERRORS - WHAT TO EXPECT

**MINOR ERRORS.** These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted from, or partially incorrect name given for exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam, etc.
- (e) full breed number known but not given
- (f) Sire and Dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

**INCORRECT DATE OF BIRTH.** This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

NB AGE LIMITS: Kittens - not less than 14 weeks and under 9 calendar months on date of show.

Adults - not less than 9 calendar months on date of show

**INCORRECT NAME OF EXHIBIT/OWNER/BREEDER.** If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT

- Totally incorrect name

REGISTERED OWNER

- Joint when they should be single and vice versa

(EXHIBITOR)

- Declaration not signed by registered owner(s)

N.B. The exhibitor(s) must be the registered owner(s) of the cat and **not** necessarily the person who actually takes the cat to the show

BREEDER

- Totally incorrect name or names

N.B. The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth.

**REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 21 DAYS BEFORE THE DATE OF THE SHOW:** These entries will be disqualified. Remember the effective date of all registrations and transfers is the **first date of valid receipt by the GCCF** and if you enclose your own stamped addressed acknowledgement card with your application form, this will be stamped with the GCCF Office date of receipt.

**TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW.** Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

**INCORRECT or INELIGIBILITY OF CLASS ENTRY.** These will be disqualified from the class concerned — so always check with the Show Manager if in doubt about which classes to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in the Grand class must have qualified on or before the published closing date of the show.

**CAT REGISTERED ON THE REFERENCE REGISTER.** No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

### **ON ARRIVAL AT THE SHOW**

Exhibits will be received at the entrance of the show hall from 7.30 am until 9.30 am on the morning of the show. **All exhibits arrive at the show hall in a suitable, secure container (top-opening recommended) and must be accompanied by the owner or the owners agent. If a cat cannot easily be removed from the carrier, it will not be vetted in or judged for Best In Show.**

Each exhibit will be examined by the Honorary Veterinary Surgeons, who are authorised to exclude any exhibit they consider unfit. No exhibit may be penned before being examined.

Exhibitors' passes will be issued at vetting in.

Exhibits must have clean ears and coats free from pests. No pregnant or lactating queen, nor queens who have kitted within 12 weeks before this show may be exhibited. No exhibit that has been declawed will be accepted, neither will male cats which are either monorchid or cryptorchid.

Unfit exhibits must be removed by their owners and payment forfeited. If in the Duty Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery and the

owners thereof shall be debarred from attending the show. The Duty Veterinary Surgeon's decision is final.

## **VETERINARY CLEARANCE CERTIFICATES**

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Manager shall obtain from the Vet the reasons and accordingly notify the GCCF<sup>1</sup> within 48 hours of the show, ensuring a copy of the rejection form is forwarded to the exhibitor concerned. Exhibitors whose cats have been rejected at shows please note the following points.

1. When sending your clearance certificate to the Veterinary Officer please include your copy of the rejection slip.
2. DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt and this will be returned to you.
3. Exhibitors should not attend shows until they have received a letter from the Secretary confirming clearance. It is recommended this letter be taken to shows within a month of issue of the clearance letter.

## **VACCINATIONS**

All cats exhibited at shows held under GCCF rules must have a current certificate of vaccination against FIE, FVR AND FCV (CAT FLU). The full course, or booster, in accordance with manufacturer's recommendations, must have been completed more than seven days before the Show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats **with an invalid** vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office.

Ensure that the certificate is properly completed and clearly indicates the identity of the exhibit and the owner to avoid confusion resulting in rejection. Homeopathic vaccinations CANNOT be accepted. NB A current certificate of vaccination is one which is not more than 7 days past the manufacturer's recommended interval between boosters.

## **VETERINARY LETTERS**

In the past cats showing signs of skin lesions might have been allowed entry to a show on production of a letter from their Veterinary Surgeon, stating the origin of the lesion. This was subject to the agreement of the Duty Vet. THIS IS NO LONGER APPLICABLE: such letters are no longer accepted at shows and any exhibitor presenting a cat with any skin lesion indicative of ringworm is likely to be rejected at vetting-in. The GCCF Veterinary Officer recommends exhibitors not to take a cat to a show if it has any skin lesion indicative of ringworm, however small.

## **PRESENTATION AND BENCHING OF EXHIBITS**

Take pride in presenting your exhibit. Be sure it is comfortable, warm and relaxed. Exhibitors must provide each exhibit with a clean white blanket or blankets, (plain woven not cellular) of reasonable size to lie on (White Vet-bed or like material with white or green backing may be used if preferred), a white food bowl and food, a white water bowl with fresh water and a white sanitary tray, with the exhibit's usual litter. All show equipment can be purchased at the show. Food containers must be removed from the pen before judging commences at 10.00 am and can be returned after 12.30 pm. Water must be left in the pen for the duration of the show. Hot water bottles or heat reflecting material are the only heating devices allowed and must be concealed by the blanket. None of the equipment in competition pens must bear any distinguishing marks.

No written or printed matter of any kind, other than official notices and award cards may be put onto competitive pens, except with the permission of the show managers. "For Sale" notices are not allowed.

The use of grooming aids in the show hall, other than the use of a clean brush and comb or cloth is prohibited. No powder or grooming substance may be left in the coat of exhibits. Exhibitors are reminded that using products which change the appearance of the coat could lead to disqualification. Such preparations are on open sale, often by stall holders, but we advise most strongly against their use.

Exhibits received into the show hall cannot be removed, without the permission of the show managers, prior to the closure of the show. Failure to observe this rule will lead to disqualification and forfeiture of any prize money and awards won. The show closes at 5.00 pm or earlier at the show managers' discretion. There will be no early removal passes issued.

## **JUDGING AND JUDGES**

Judging will commence at 10.00 am and exhibitors will be requested to clear the hall at this time until 12.30 pm, whilst the Open Classes are being judged. Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's award slip and not from any catalogue or prize card. A Judge's decision is final. An exhibitor may not approach a Judge, nor enter into conversation with a Judge, until that Judge's engagement is complete. In the event of a change of Judge of an Open Class occurring after the closing date of the show, providing the exhibitor informs the show manager prior to judging that a certificate has previously been awarded by the replacement judge, the show manager shall appoint one other judge who shall judge the cat and if the cat is considered worthy countersign the certificate which shall then count towards Champion/Premier status.
